

German Shepherd Dog Club Of America-Working Dog Association

H U N D E G R A M

December 23, 2016

Dear WDA Member:

Our love for the German Shepherd Dog brought us together. For the past number of years, notwithstanding the issues that affect the level of service that we provide to the German Shepherd Dog community, we have worked diligently as a unit to support and protect the breed that we love. The friendships that we developed continue beyond the dog sport. Your WDA Board deeply appreciates all the support and contributions that each of you have made so that the WDA may continue with its work to provide services to both its membership and those who care for the German Shepherd Dog.

The WDA Office and your WDA Board wish you and your families a very Happy Holiday Season and a very Happy, Healthy and Prosperous New Year!

Dan
